Christian Education at Northside / St. Aidan's

Education Classes for children this fall will be offered at two times:

- **Sunday School Classes will be at 10:00 am each Sunday.**
- **Learning Center Workshops will be at 11:00 am, during the 11:00 Worship Services.**

Learning Center:

Each week the Learning Center will have a story telling workshop around a Bible story, Christian theme, or liturgical subject in a curriculum provided by "Godly Play." This curriculum, which is designed for all ages, will be accompanied with many kinds of hands-on responses - the "work" of Godly Play. The workshop is designed so that Episcopalians can be excused for the Eucharist (around 12:00 pm) and Presbyterians, who begin with their parents in the worship service, may join the worship after the peace.
