**Presbyterian Disaster Assistance is asking for help in providing support and relief to the people of Pakistan. One way to do that is to send hygiene kits to Church World Service. Our Social Justice Committee has approved a special offering to meet this need.** The kits consist of hand towels measuring 16"x28", washcloths, wide-tooth combs, new packaged nail clippers, bath size soap, new packaged toothbrushes and Band-Aids. Each kit costs \$11.00 to purchase the items and \$2.00 in shipping and handling. I will put the kits together if items are donated or purchase items to make up kits if people want to donate money. I will also take care of shipping them to CWS. In the face of natural disaster, hygiene kits can mean the difference between sickness and health for families. *Thanks, Sue Stanton*
