Living Waters Ministries is the official camping program of the Episcopal and Lutheran Church in Southern Michigan. The day camp is a full day camping program that offers a fun community-centered program focused on sharing God's love and forgiveness. At St. Aidan's campus, the program will also focus on the environment and the protection of God's creation with an educational program set in the five acre Natural Habitat. The professional staff is provided by Living Waters Ministries. Local adult volunteer staff will also provide support and program.
